

World Prematurity Day 17 November

1 baby in 10 is born premature. Worldwide.

**For World Prematurity Day the HSA is offering
FREE developmental checks for premature babies**

**Open to all babies born before 34 weeks
and not yet 18 months and not actively receiving
therapy input on a regular basis**

BY APPOINTMENT ONLY - BOOK EARLY - SPACES LIMITED

Where: Hibiscus Conference Room, Cayman Islands Hospital
(located by the canteen, rear entrance)

When: Monday, 20th November 2017
9-10am - Presentation by Dr. Sara Watkin, Paediatrician & Neonatologist
10-12pm & 1-3pm - Scheduled Screenings

How: To book an appointment email: faith.gealey@hsa.ky
Screenings will be completed by HSA's Maggie Tomlin, Paediatric Physiotherapist,
Rosemary North, Occupational Therapist and Faith Gealey, Speech and Language Pathologist.

**Each year 15 million babies are born premature worldwide.
Premature births may result in developmental delay.
Early intervention is the key to success.**
